STEWARDSHIP: A GIFT OF SELF

“Put your gifts at the service of one another as good stewards of God’s manifold grace.” 1 Peter 4:10

When we speak of “Stewardship”, most of us think “money”. But, our call as stewards of our many blessings goes beyond the management of our treasure. Our resources of time and talent are gifts from God as well.

Our gifts of time and talent are uniquely our own. We are called to nurture them, not just for ourselves, but for God and others.

By prudently using these blessings and abilities, we most profoundly express our gratitude to God, our Creator.

The Stewardship of our talents calls us to discover and grow in our own giftedness.

As individual as our own thumb print, each of us is a unique blend of abilities and talents. Perhaps we have discovered some of our talents through our livelihoods, in our work as teachers or accountants, laborers or administrators. As stewards, God calls us to reflect, not only on these talents, but on our other talents as well - perhaps music, carpentry, arts and crafts, or working with teens or senior adults.

Thus we come to see that our talents are not only special gifts from God, but these are also the ways in which God creates our unique “self” which is a gift of love as well. God calls us to share with Him and with others our very selves. Jesus compares our giftedness to a light, created to illuminate “all in the house”, not to be hidden “under a bushel basket”. (Matthew 5:14-16)

Another gift for which we are accountable is the use of time. In reflecting on the stewardship of time, we see we are blessed in our lives with two kinds of time. One is the regular lifetime span of days, months and years; the other refers to God’s time. “All in God’s time” is a phrase we often use. By experiencing moments that seem charged with the divine – childbirth, a wedding, a spiritual healing, or a moment of deep insight or conversion – we are aware of the activity of the Spirit in our lives.

To be a good steward of our time implies that we learn to discover God's special transforming grace in our daily lives.

In good Stewardship of our time, we are ready to be called into greater growth, new awareness, or action on behalf of God's Kingdom. A life truly lived in Stewardship requires much more than writing a check every week.

The sharing of our time and talents for the good of our Parish family is a great gift of Stewardship. The very reason we share of ourselves is praise, thanksgiving, and above all, love:

If I speak in human and angelic tongues, but do not have love, I am a resounding gong or clashing cymbal... If I give away everything I own, and if I hand my body over so that I may boast, but do not have love, I gain nothing. 1 Corinthians 13:1-3

This sharing is also an opportunity to learn new skills, make friendships, and lay groundwork for the future of the Parish. By strengthening our Parish in this way, we become bonded to our Parish family and feel a sense of ownership in knowing we have helped to direct our Parish.

Please review the information on the various Parish Ministries to find out more about them and the services and programs our Parish has to offer. Be a part of your Parish family and discover the joy that comes in giving from the heart.

An ACTS Retreat

An ACTS Retreat is a place where hearts are sure of each other. It is a place of confidence. It is a place where we tear off that mask of guarded and suspicious coldness which the world forces us to wear in self-defense and where we pour out the unreserved communications of full and confiding hearts. It is the place where expressions of tenderness gush out without sensation of awkwardness and without any dread of ridicule. It is a place where we speak freely knowing that our words will go no further. – *Adapted from the Treasure Chest - Frederick W. Robertson – Harper and Row, 1965*

History of the ACTS Movement

The ACTS movement came to birth from the Cursillo Movement through the inspiration of the Holy Spirit, in the Archdiocese of San Antonio. ACTS started in 1987 at Our Lady of Perpetual Help in Selma, Texas, a small suburb of San Antonio.

"...Three men who were formerly involved with Cursillo, Ed Courtney and Joe Hays of Our Lady of Perpetual Help Church in Selma, and Dr. Marty Sablik of St Luke's parish, met in the spring of 1987 at a local restaurant and discussed the possibilities of starting a retreat program that would concentrate more on parish life and community.

The proposed retreat program was approved by Joe Hayes' pastor, Father Patrick Cronin, at Our Lady of Perpetual Help, his pastoral council and Archbishop Patrick Flores. The men received the blessings to form a committee to develop a retreat weekend with a goal of having a men's retreat in July 1987 and a women's retreat in the fall of 1987. Archbishop Flores asked that the committee be sure to allow non-Catholics to attend as part of the community.

With Joe Hayes as chairman, 10 committee members began developing talks, sacramentals, meditations and schedules for the weekends. The committee met each week while forming the retreat program and discussed choosing a name for the retreat but there was never a consensus among them. One day Wallace Vaughn, one of the committee members, had a dream in which the Holy Spirit encouraged him to read Chapter 2, verses 42-47 of the Acts of the Apostles. This selection from Acts describes what the committee wanted to achieve on a retreat weekend. He also felt the Holy Spirit wanted the retreats to be called 'ACTS,' and thus the name was born. The acronym of ACTS came to mean Adoration, Community, Theology and Service, which is today the precept of these retreats. Nearly all who have experienced an ACTS retreat feel truly blessed by God through the guidance of the Holy Spirit."

The Cursillo Retreat is a wonderful weekend experience and true to its name is a remarkable "Short Course" in the Catholic faith. Although the ACTS retreat was modeled after Cursillo, there are some major differences, most notably in focus and in emphasis. Cursillo Retreats are strictly for Catholics, and always reach out

to the general population to form team and recruit retreatants. ACTS Retreats are open to all faiths and generally are directed primarily to those within a parish.

Another example of difference is that the Cursillo Retreat is very structured and provides very little flexibility. The ACTS Retreat, on the other hand, represents the wishes of the Director and team in selection of presentations. No two ACTS retreats are exactly alike. There are certain events that are required but each retreat is unique because of the individuality of each team.

The ACTS and The Cursillo Retreats do the work of the Holy Spirit and both are needed. The ACTS Movement shall always be grateful to the Cursillo Movement for its beginnings and its foundation. The ACTS retreat has gradually become a Parish Weekend Retreat patterned after the description of the early Church in the Acts of the Apostles (ACTS 2:42-47); breaking bread together, worshipping together, receiving instruction together, sharing in common, and reaching out in loving service.

After the Weekend, participants are encouraged to reach out to parish activities. ACTS does not want to be thought of as a "Group", but as parishioners that have been on a special retreat and now have a greater interest in parish ministry involvement. Many men and women too numerous to mention here have added much and continue to add to the ACTS Movement through the inspiration of the Holy Spirit.

ACTS Missions was founded in 1997 to take the ACTS Retreat to new Parishes all over the world so that the ACTS Community would be alive in all parishes. ACTS has grown much since 1987, and is now in Alaska, California, Connecticut and Missouri, as well as all over Texas.

ST. ANNE CATHOLIC SCHOOL BEAUMONT

St. Anne Catholic School was founded in 1937 as the parish school for St. Anne Catholic Church. Rev. E.A. Holub was the founding pastor and the Sisters of St. Mary of Namur originally staffed the school. Today, St. Anne offers ten years of schooling associated with a Catholic elementary school, pre-kindergarten through grade eight. The campus reflects a blending of the old and new, with buildings designed in the graceful architectural style of the Franciscan missions. St. Anne School continues to fulfill its mission of providing a quality Catholic education rooted in moral and religious values and fostered by commitment and service.
